

COURT BRASSERIE

DINNER MENU

We would like to inform our guests that our service has changed in light of the recent restrictions imposed on the hospitality industry. The 10pm curfew has meant that we are having to serve the same number of guests in a shorter time frame and as such, at busy times there may be long waits between courses. Please know that we are pushing very hard behind the scenes to deliver the standard and speed of service that we are usually so proud of. We are not serving fast food; we are serving fresh food as fast as we can. We thank you for your patience.
